**COMPLAINT**

*Civil Action No.*

1:23-cv-1057

Plaintiff, KIRKPATRICK DUNBAR, (“Plaintiff”), by and through his counsel, The Marks Law Firm, P.C., hereby files this Complaint and sues SUNFLOWER GLASS COMPANY INC., a domestic business corporation, and 218-220 THOMPSON HOLDINGS LLC, a domestic limited liability company, both registered in the State of New York, (hereinafter collectively “Defendants”), for a) injunctive relief, b) compensatory relief, and c) attorney fees and costs pursuant to 42 U.S.C. 12181, et. Seq., of the Americans with Disabilities Act (“ADA”), the New York Human Rights Law (“NYCHRL”), and the New York State Human Rights Law (“NYSHRL”) and alleges:

**JURISDICTION AND PARTIES**

1. This is an action for declaratory and injunctive relief pursuant to Title III of the ADA, 42 U.S.C. § 12181, et. Seq. This Court is vested with original jurisdiction under 28 U.S.C. §1331 and §1343.

2. Venue is proper in this Court, pursuant to 28 U.S.C. §1391(B) in that all events giving rise to this lawsuit occurred in the State of New York.

3. The violative Premises and the events giving rise to this lawsuit are located at 220 Thompson Street, New York, NY 10012. (hereinafter “Premises”).

4. Venue is proper in this Court as the premises is located in the State of New York, County of New York.

5. The Defendants SUNFLOWER GLASS COMPANY INC. and 218-220 THOMPSON HOLDINGS LLC are each authorized to conduct and are conducting business within the State of New York.

6. Upon information and belief, SUNFLOWER GLASS COMPANY INC. is the lessee and/or operator of the real property, and the owner of the improvements where the Premises is located which is the subject of this action. Defendant also maintains and controls the Premises.

7. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, Defendants’ Premises is a place of public accommodation in that it is an establishment which provides goods and services to the public.

8. Upon information and belief, 218-220 THOMPSON HOLDINGS LLC is the owner, lessor and/or operator and managing agent of the real property where the Premises is located, which is the subject of this action, which also maintains and controls the Premises.

9. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the building and/or Premises which is the subject to this action is a public accommodation covered by the ADA and which must be in compliance therewith.

10. The remedies provided by the NYSHRL against discrimination are not exclusive and state administrative remedies need not be exhausted in connection with suits brought under the Federal Civil Rights Act.

11. At the time of Plaintiff's visits to the Premises, and prior to the instant action, Plaintiff was, and still is, a resident of the City and State of New York. Plaintiff is a paraplegic, which constitutes a "qualified disability" under the ADA of 1990. Plaintiff uses a wheelchair for mobility.

12. On December 2, 2022, Plaintiff last attempted to enter Defendants' Premises, which is near his home and where he hangs out with his friends on a regular basis, to purchase their hand crafted custom glass pipes, paraphernalia and water. On December 2, 2022 Plaintiff was forced to knock on window of the store and wait outside until an employee finally came outside to help. The employee confirmed there is no accessible entrance or alternative to the store, informed Plaintiff he could not bring items outside for Plaintiff to look at and shop, but was willing to sell Plaintiff a bottle of water while he waited for his friends to help him. In the past, Plaintiff's friends were with him, and has been able to make purchases from the store for Plaintiff. This was frustrating for Plaintiff and embarrassing. Because of the architectural barriers of steps at the entrances of the store, Plaintiff was unable to enter the store nor was he able to patron and explore the smoke shop to purchase goods. As a result of this experience, Plaintiff was denied full and equal access to, and full and equal enjoyment of, the facilities at Defendants' Premises, which is subject to this instant litigation.

13. Plaintiff has attempted to enter Defendants' Premises on multiple occasions in the past, but continues to be denied access each time, and therefore suffered an injury in fact. Only with friends was Plaintiff able to be a customer in the past. Plaintiff is currently deterred from going to the store based on his knowledge of the barriers to access that exists and intends on immediately returning to the Premises to purchase their signature hand crafted custom glass pipes once the barriers are removed and the Premises is ADA compliant.

14. Defendants' violations impede upon Plaintiff's, and other similarly situated disabled individuals' right to travel free of discrimination.

**COUNT I - VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

15. The ADA prohibits discrimination on the basis of disability. The Act guarantees reasonable accommodations for individuals with disabilities to ensure they are not the subject of discrimination.

16. The ADA and 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (all hereinafter referred to as the "2010 Standards" or "Accessibility Standards") dictate that property owners and operators of commercial premises being used as "commercial establishments" are responsible for complying with these Federal Accessibility Standards.

17. The Plaintiff is informed and believes, and therefore alleges that the Premises has begun operations and/or undergone substantial remodeling, repairs, and/or alterations since January 26, 1990.

18. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others that are similarly situated, by denying full and equal access to and full and equal enjoyment of goods, services, facilities, privileges, advantages, and/or accommodations at Defendants' Premises, in violation of these Accessibility Standards.

19. The Plaintiff has been unable to and continues to be unable to enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants' Premises.

20. Plaintiff visited Defendants' Premises with the intention of utilizing Defendants' facilities, but was denied access to the Premises, and therefore suffered an injury in fact. In addition, Plaintiff continues to reside in New York and continues to desire to visit the Premises in the future, but will suffer future harm in that he is unable to access the Premises and continues to be discriminated against due to the architectural barriers which remain at the Premises, all in violation of the ADA, and New York State and City Human Rights Law.

21. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the American with Disabilities Act Accessibility Guidelines (hereinafter "2010 ADAAG"), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

22. The Defendants' Premises is in violation of 42 U.S.C. §12181 et. Seq., ADA and the 2010 Standards, and is discriminating against the Plaintiff as a result of inter alia the following specific violations:

- a. Due to an approximate 3-inch step-up at the accessible entrance to Sunflower Glass Company Smoke Shop, the Property lacks an access route from site arrival points such as the public streets and sidewalks to the accessible entrance in violation of section 206.2.1 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the Property.
- b. The total vertical rise of accessible route leading from public sidewalk is greater than  $\frac{1}{2}$  (one-half) inch due to an approximate 3-inch step-up at the accessible entrance to Sunflower Glass Company Smoke Shop, and thus, the accessible route is not ramped

in compliance with section 405 or 406, this is a violation of section 303.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the units of the Property because the vertical rise in the form of stairs would make it almost impossible for Plaintiff to safely access the interior of the public accommodation.

- c. Due to, an approximate 3-inch step-up at the accessible entrance to Sunflower Glass Company Smoke Shop, the accessible route leading into this public accommodation contains at least one vertical rise in excess of  $\frac{1}{4}$  inch in violation of section 303.2 of the 2010 ADAAG Standards. This barrier to access would make it difficult and dangerous for Plaintiff to attempt to utilize the accessible route as it increases the likelihood of the wheelchair tipping.
- d. In front of Sunflower Glass Company Smoke Shop, due to an approximate 3-inch step-up at the accessible entrance, the maneuvering clearance of the accessible entrance is not level in violation of Section 404.2.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access this unit of the Property since it is often necessary for individuals in wheelchairs to need to use their hands to both wheel through the doorway and keep the door open with another hand. When the maneuvering clearance is not level, this ordinarily difficult process is made even more difficult by the presence of an excessive vertical rise.
- e. In front of Sunflower Glass Company Smoke Shop, there is a doorway threshold with a vertical rise of approximately an inch and does not contain a bevel with a maximum slope of 1:2 in violation of section 404.2.5 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the interior of

the Property at this location as the vertical rise at the door threshold could potentially cause Plaintiff to tip over when attempting to enter. Moreover, this barrier to access is made more difficult by the fact that it is in the doorway and Plaintiff would be required to hold the door open with one hand while attempt to the “push” the wheel of the wheelchair over the vertical rise.

- f. Inside Sunflower Glass Company Smoke Shop, when exiting there is a doorway threshold with a vertical rise of approximately an inch and does not contain a bevel with a maximum slope of 1:2 in violation of section 404.2.5 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit the interior of the Property at this location as the vertical rise at the door threshold could potentially cause Plaintiff to tip over when attempting to leave. Moreover, this barrier to access is made more difficult by the fact that it is in the doorway and Plaintiff would be required to hold the door open with one hand while attempt to the “push” the wheel of the wheelchair over the vertical rise.
- g. There is not at least one accessible entrance to each tenant space in the building that complies with section 404 of the 2010 ADAAG standards which is a violation of section 206.4.5 of the 2010 ADAAG Standards.
- h. As not all entrances comply with section 404 of the 2010 ADAAG Standards, entrances that do comply with section 404 of the 2010 ADAAG Standards are required to have signage identified by the International Symbol of Accessibility indicating an accessible entrance, however, no such signage exists on the Property in violation of section 216.6 of the 2010 ADAAG Standards. Moreover, there is a lack of directional signage

indicating the location of the nearest accessible entrance. This barrier to access would make it difficult for Plaintiff to locate an accessible entrance on the Property.

- i. Defendants fail to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

23. Upon information and belief, there are other current violations of, inter alia, the ADA at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

24. To date, the architectural barriers and other violations of the ADA still exist, the removal of which is readily achievable and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA or to create access to the Premises.

25. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, the Defendants were required to make the Premises, a place of public accommodation, accessible to person with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

26. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff injunctive relief; including an order to alter the Premises to make them readily accessible to, and useable by, individuals with disabilities to the extent required by ADA, and order the closing of the Subject Facilities until the requisite modifications are completed.
